Who should come to the building?

Only those students who need to access personal belongings from lockers should come to the building.

If I do not have a locker or I have nothing to collect, do I come to the building anyway?

No, only students who have a specific reason to collect belongings should be present.

Will there be bus transportation?

There will be no bus transportation.

Can I bring a parent/friend with me?

To maximize the number of students in the building and not delay others waiting, we will not be able to accommodate friends or parents. However, if you are not available to come you may send a parent/guardian only to collect your belongings provided you have told them where and how to access your locker.

How long will I be allowed in the building? How many students will be in the building at one time?

Student access will be limited to **15 minutes maximum**. The total number of students and staff will never be allowed to exceed safe maximums. Please be patient waiting.

What do I need to bring?

You are responsible for bringing any bags needed to take home items. **You should be returning any textbooks or library books that you have in your possession at home.**

How will I enter/exit the building?

Students will line up at the main office entrance doors, following appropriate social distancing guidelines. Entrance will only be available at this door. Direction indicators will be present throughout the building. You must follow them, and traffic is ONE WAY only in each hallway. All students will exit the building through the student parking lot doors.

Can I access a classroom?

No, access is limited to lockers only.

What about textbooks or library books in my locker and my lock?

Leave all textbooks and/or library books on the floor directly in front of your locker and leave your locker opened and the lock hanging on the latch.

What about garbage?

Garbage cans will be present in the hallways. Please put all garbage in them. Do not leave garbage on the floor or in the lockers.

What Happens When You Arrive?

The guidelines listed below **MUST** be followed to ensure the health and safety of students, parents/guardians, and staff.

1	You will line up along the painted markings on the pavement by the gym wall following all social distancing guidelines. (Rain Plan: Enter the gym through the double fire doors that will be open and line up on the markings noted on the gym floor)
2	A staff member will be at the entrance door and will register each student as they arrive. You will need to provide your name and your homeroom teacher's name.
3	Students must immediately wash their hands in the washrooms to the left as soon as you walk in the building.
4	Students must follow the indicator arrows and maintain a distance of approximately 6 feet or 2 metres from others while in the building.
5	All hallways are one-way traffic. Do not try and short cut. Arrows will direct you to exit. The exit may be a longer walk than normal, but this is done for the safety of all.
6	Arrive at your locker with your own bags, as needed.
7	Collect all your personal items and: <ul style="list-style-type: none">• Remove all garbage from your locker and place in the bins provided• Leave all textbooks directly on the floor in front of your locker• Leave all library books directly on the floor in front of your locker• Hang your opened lock on the latch
8	Exit the building (15 minutes maximum) by following the directional arrows that will lead you to the student parking lot doors.
