Teaching Kids About Money (TWOKAM) is a national initiative by the Canadian Foundation for Economic Education (CFEE) that provides teachers and parents with resources and information to present financial literacy to their students and children. Learning about saving, spending, managing, earning and investing money are important topics that everyone needs to learn.

Improving ones financial literacy is a lifelong process. Parents and Teachers are encouraged to visit [www.talkwithourkidsaboutmoney.com](http://www.talkwithourkidsaboutmoney.com) to access tips, suggestions, resources, helpful links or tools to support in the development of money conversations with children and youth. On April 19, 2017, 'Talk With Our Kids About Money Day' will be celebrated across Canada.

The purpose of this afterschool enrichment program is to provide children with appropriate information and fun activities that will focus on money topics such as the importance of saving, spending and managing money.

Garth Wade is the retired Director of Schools from Anglophone West School District and represents CFEE for New Brunswick. He will coordinate the afterschool sessions which will have himself, a District educator (TBA), Samantha Richard (Education Coordinator, FCNB) and Mark Gorman (Marketing Manager, NBTA Credit Union) all be involved in leading sessions for the participants.

If you are interested in having your child participate in the afterschool TWOKAM program from 3:15 – 4:15 on March 14, 21 28 & April 4, please complete the form below and return it to the office by no later than February 3, 2017.

Please note: parents are responsible for ensuring their children are picked up or have made plans for them at 4:15. Due to the nature of the program, the session leaders will accept 20-25 applicants.
