

Park Street Pumpkin Walk ~ Friday October 28th, 2016

It's time to SYNERGIZE Park Street! Get your pumpkin carving knives ready for the Park Street Pumpkin Walk! The stage area is going to be transformed into a spooktacular pumpkin display! We would like each student to synergize with their family to carve a pumpkin and bring it to school on Friday October 28th . There are 3 things to note...

1. Drop off pumpkins in the cafeteria at 8:10 a.m. on Friday October 28th (there will be volunteers waiting to help you). **Please put your name somewhere on your pumpkin** so it will be easier for you to find at pick up time.
2. **Please put a flashlight, battery operated tea light or glow stick in your pumpkin to light it up** (no candles please!) and the volunteers will turn your light on before the Pumpkin Walk begins.
3. **Pick your pumpkin up at the end of the school day** (pumpkins will be ready for pick up after 1pm) and use it to decorate your home. All the classes will take turns going through the display so all the students can enjoy the creativity of all Park Street families!
