

# Park Street After School Opportunities

November 23, 2016

Park Street School has embarked on an exciting journey to become the first Trilingual School in New Brunswick. Currently we offer both English and French Immersion Programs to our students. Over the past 5 years we have had the opportunity to work closely with the Confucius Institute of New Brunswick to have Chinese language and culture introduced to our school. As the world has become more global, it has also become clear that for Canadians to be competitive, they will need the skills to allow them to effectively compete and collaborate with others from around the world. Therefore, it is critical to more deeply embed and expand our current Chinese program to give students an opportunity to become fluent in a language that is growing worldwide.

**Ms. Chris Zheng our second Chinese teacher** is a music specialist and would like to offer an afterschool Chinese singing club. This club for grades 3-5 students will begin on Monday, December 5 and run each Monday from 3:15 – 4:15 until December 19.

We understand that this is a quick turnaround time from the time you receive this notice until when the club begins. If you miss the first session, please know that your child still could likely attend beginning the following Monday. It is also likely that Ms. Chris will offer another 4 week session of Chinese Singing Club in January.

If your child is interested in being part of this Chinese Singing afterschool, beginning on Monday, December 5, please complete the form below and return it to the office ASAP.
