

## Park Street School PANDAmonium Week 2018

# A Week of Wonder

"When given the choice between being right or being kind, choose kind." - R.J. Palacio, *Wonder*

This year the Student Council has chosen a Week of Wonder for our PANDAmonium theme. This theme is based on the book *Wonder* by R.J. Palacio which has recently been adapted as a film. We were inspired by the story of Auggie, a grade 5 student who has a hard time fitting in and making friends due to his differences. Auggie's life is changed for the better when a new group of students decide to look past his differences and accept him for who he is.

At Park Street, we believe that everyone has the right to be accepted for who they are. Our differences make us unique and special. During this week, we will be celebrating our differences and making a special effort to choose kindness to have a positive impact in our school community. Please see the list of special activities below:
