Sight Words

Practice reading 5-10 words on your sight word list each night.

RAH RAH

Complete reading comprehension - "**The Muddy Puddle**" (grade 2 reading passage).
Please have your child:

- read it (best they can) stopping often to check for understanding
- answer the questions (by themselves)
- go back and reread the text aloud to an adult (working on reading strategies and fluency)
- check answers with an adult, ask why they circled the answer they did

Math Facts

Sign and **correct** math fact test from last week.

We will continue to practice subtracting strategies. Please play "Subtraction Battle" a couple of times this week (instructions in game package). There will be a test on **Thursday**.

Weekly Work

Reminder: Please check the work in the "Weekly Work" section each week. Any paper work your child has completed is there for you to see.

Optional: May Math Challenge

The students have been doing a terrific job working on their monthly challenge in math. The May Math Challenge is due on May 31ˢᵗ.
