

# HOMework - May 23<sup>rd</sup> - 26<sup>th</sup>

<http://priestmanstreet.nbed.nb.ca/teacher/ms-munden>

## SPECIAL MESSAGES:

1. **Library books** - Due Thursday
2. **Provincial Assessment** - begins this week. Having a good breakfast and being well rested will help your child to perform their best.
3. **Popcorn** - \$1 a bag on Friday (unless you have a punch card)
4. **Flex Math** - last day on Friday
5. **Field Trip** - please see information on year end class trip to Kingswood.

## MONDAY - THURSDAY

Please see below your child's homework, which is to be completed by Friday. Thank you!

### Spelling

**Sign** spelling test from last week.

There will be another test this Friday that will be marked on the spelling word, capital letter and stop mark. The test will go home on Monday for you to see.

### Sight Words

Practice reading 5-10 words on your sight word list each night.

### RAH RAH

Complete reading comprehension - "**Guide Dogs**" (grade 2 reading passage).

Please have your child:

- read it (best they can) stopping often to check for understanding
- answer the questions (by themselves)
- go back and reread the text aloud to an adult (working on reading strategies and fluency)
- check answers with an adult, ask why they circled the answer they did

### Math Facts

**Sign** and **correct** math fact test from last week. We will be reviewing all addition and subtraction strategies taught this year. Please use the enclosed flashcards to practice for the next couple of weeks. You can also play some of the games posted on my teacher page. There will be a test on **Friday**.

### Math

Play 4-in-a-Row game on 3-D Objects at least twice this week. Please return the game on Friday. \*There are geometry games posted on my webpage for extra practice!

### Weekly Work

Reminder: Please check the work in the "Weekly Work" section each week. Any paper work your child has completed is there for you to see.

### Optional: May Math Challenge

The May Math Challenge is due on May 31<sup>st</sup>. Remember: The students have been taught how to use adding and subtracting, not multiplying and dividing.

Please complete the homework by Friday and initial **once it is all finished**.

Thank you! Parent Initials \_\_\_\_\_
