

Homework – Mar. 14th – 18th

- I hope everyone enjoyed their March Break!
- Just a reminder: As weather becomes spring-like, please continue to wear clothing suitable for playing on the playground.
- Looking ahead: There is **no school for students on Friday March 25th** as it is a Professional Learning Day for Staff.
- Report cards will be coming home on April 11th and Parent Teacher Conferences will be held on the evening of April 13th and the morning of April 14th. I will send home an online link closer to the date for families to sign up for a time that is convenient for you.
- I will be sending home a snapshot of your child's literacy progress in reading and writing. Please sign and return the bottom of the assessment. Thank you!

New sight words: just before after little

Monday

1. Practice spelling the **-ick** family words. On Friday I will be asking you to spell 5 of these words and a simple sentence that includes words from our word wall (sight words) and -ick family words.
2. Math – practice your math fact cards. Remember to watch the signs!
3. RAH RAH- read a book from your folder to someone at home.

Tuesday

1. Practice spelling the **-ick** family words.
2. Math – Talking about math is an important skill. Explain to someone the difference between addition and subtraction.
3. Sight words – practice your sight words. Remember to return your pouch tomorrow.
4. RAH RAH- Read a book from your folder. Retell the story to someone at home.

Wednesday

1. Practice the **-ick** family words.
2. RAH RAH- re-read a book in your folder.
3. Math – solve the math facts. Watch the signs! →
4. Tomorrow is St. Patrick's Day. Wear something green if you have it. 

Thursday

1. Practice your **-ick** family words.
2. RAH RAH – Remember to colour in the titles of your books neatly and return them along with the books tomorrow.
3. Math – practice your math fact cards. Remember to watch the signs!
4. Writing – Print a sentence that has an -ick family word.

ick family

brick	chick
click	flick
kick	lick
pick	stick
thick	trick

$7 + 1 = \square$

$6 - 0 = \square$

$7 + 3 = \square$

$6 + 4 = \square$

$2 + 7 = \square$

$8 - 2 = \square$

$5 - 5 = \square$

$9 - 0 = \square$

$10 - 5 = \square$

$4 + 4 = \square$
