

Homework – Feb. 4th – 8th

Message:

- Valentine's is on Feb. 14th. Our activities will center around this theme on that day. The classlist was sent home last week. Don't forget to work on a few Valentine's each day and print neatly. You may send your Valentines in at the end of this week.

New Sight words this week:

than day they make

ice family

ice	dice
rice	mice
nice	vice
slice	spice
twice	price

Monday

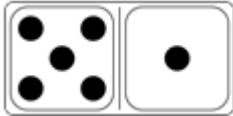

parent's initials _____

- Practice the **-ice** family for a dictation test on Friday.
- RAH RAH – Before you read, predict what you think the book will be about.
- Math – practice your math fact cards. You may keep your math fact quiz home from last week.
- Have a parent sign your word family dictation from last week.

Tuesday

parent's initials _____

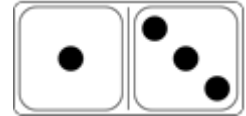

- Practice spelling the **-ice** family words.
- RAH RAH – After you read your book decide if it was fiction or non-fiction. Tell how you knew.
- Sight words – practice your sight words. Remember to return your pouch tomorrow.
- Math – Practice your math facts cards and print an addition sentence for each of the following:

_____ + _____ = _____

_____ + _____ = _____

_____ + _____ = _____

Wednesday

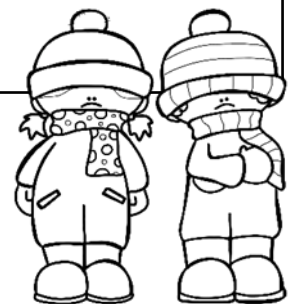

parent's initials _____

- RAH RAH – after reading, retell the story to someone at home.
- Math – practice your math fact cards. We will have a quiz tomorrow. 😊
- Practice spelling the **-ice** family words.
- Library books are due tomorrow.

Thursday

parent's initials _____

- Practice printing the **-ice** family words for a dictation quiz tomorrow.
- Biography – Share the next biography with someone at home. Return your book tomorrow so we can add more.
- Popcorn will be available tomorrow \$1/bag

Math Strategies of the Week

Friends of Ten: When adding numbers together think of the partner numbers that make 10.

$10 + 0 = 10$ $9 + 1 = 10$ $8 + 2 = 10$ $7 + 3 = 10$ $6 + 4 = 10$ $5 + 5 = 10$
 $4 + 6 = 10$ $3 + 7 = 10$ $2 + 8 = 10$ $1 + 9 = 10$ $0 + 10 = 10$
