

Homework – Jan. 21st – 25th

- There will be **No School** for students on **Monday, Jan. 28th** as it is a Professional Learning Day for Teachers.
- **Sight Word Assessment** – I am sending home the most recent Grade One Sight Word Assessment. Please continue to practice any words that your child is having difficulty with.
- Just a reminder that the \$5.00 for Kazoo's for Music class is due.
- Cold/Flu season is upon us. As a result, the students are using the Kleenex quite heavily and we have gone through our supply. I am asking that each child bring in 1 box of Kleenex. Thank you!

Math Strategy of the Week

Counting On

When you add **1, 2, or 3**, start with the biggest number and just count on.

$$5+1=6$$

$$8+2=10$$

$$9+3=12$$
