

Homework – November 1st – 5th

Messages:

- **Word Family Work:** This week we will be adding a short sentence to our dictation. In addition to the 5 words, I will be asking students to print the following sentence: I see a bug. The sentence should include spaces between the words, correct spelling, a capital letter at the beginning, lowercase letters and a period at the end. The words “I, a, and see” are on the word wall for students to find, “bug” is one of the word family words. I know they can do it!
- **Successes and Goals:** On Thursday I will be sending home a learning success and a learning goal that I have noticed about your child. Be sure to celebrate these successes and remember, we all (including me) have learning goals.
- **Reminders:** Hot lunch can be ordered at <https://www.chartwellsk12.ca/>, our Acorn Fundraiser is ongoing, and you still have time to order school clothing if you wish.
- **Halloween Candy:** Boys and girls, please remember that if you are bringing a Halloween treat in your lunch to bring just one small, nut-free treat.
- **Looking ahead:** There will be No School for students on Thursday, Nov. 11th (Remembrance Day) and on Friday, Nov. 19th (P.L. Day for teachers).

New sight words **on one two will**

Monday
