IF your child can already spell these words, choose 5 unknown words from their list to work on each night.

## Sight Words

Practice reading 5-10 words on your sight word list each night.  
Remember to reread "checked" words to ensure recognition and quick recall.

## RAH RAH

Read out loud (to an adult) your "Good Fit" RAH RAH book each night or read a book from RAZ-Kids. Don't forget to:

- make *predictions* ("Predicting Penguin") before reading and while reading
- *check for understanding* ("Fix-up Bear") at the end of each page
- *ask questions* ("Questioning Owl") before, during and after
- *retell* ("Tabber the Re-teller") at the end of the book
- *tune into interesting words* while reading

\*Some books take longer to read, so read for 10 min. each night. Shorter books can be reread for fluency.
