

Homework Routines and Expectations

Your child will have homework on Monday, Tuesday, Wednesday, and Thursday. The homework outlining the entire week will be sent home on Monday. Please keep the binder at home for the week and return it on Friday. Be sure your child uses a pencil for homework. Grade 2 should be spending about 20 minutes per night on homework. Do not hesitate to contact me if you have any questions or concerns. My teacher page on our school website will also have the weekly homework posted as well as parent tips, website games that reinforce outcomes, and all the exciting things that happen in our classroom and school! Go to the Priestman Street Website, <http://priestmanstreet.nbed.nb.ca/> then click on Teacher Pages, then Ms MacSween.

Kind regards,

Ms Jody MacSween
