

Homework Jan. 30th – Feb. 3rd

Messages:

- Please cut the math fact cards apart and keep them at home. Review them each night at home. We will have a math fact quiz each week.
- Kazoo money for Mrs. Hayward – due Jan 31. (\$3.50)
- A permission slip for an upcoming field trip in coming home. Please complete and send in the \$8.00 fee as soon as possible. Thank you!

Monday

parent's initials _____

1. Read the “**ot**” family words. **This week I will call out a simple sentence using some of these words and sight words which can be found on the word wall. In addition to correct spelling, I will be looking for a capital letter at the beginning of the sentence and punctuation at the end.**
2. RAH RAH – As you read, watch for the punctuation marks.
3. Practice your math fact cards from this week and last week.
4. Have mom or dad sign your word family dictation from last week.
5. As math fact quizzes come home they may be kept at home.

-ot family

dot	got	hot
lot	jot	not
pot	spot	rot

Tuesday

parent's initials _____

1. Word Family – Practice the “**ot**” family words
2. RAH RAH- After you read your book, do a retell of the book telling what the book was about and the characters in the book.
3. Math – Practice all your math fact cards.
4. Sight words – practice reading all your words.

Wednesday

parent's initials _____

1. RAH RAH- Predict what the book will be about by looking at the pictures.
2. Math – Practice your math fact cards. Our first quiz is tomorrow ☺
3. Word Family – Practice the “**ot**” family words.
4. Tomorrow is Groundhog Day. Do you think he will see his shadow? _____

Thursday

parent's initials _____

1. Word Family – practice the “**ot**” family words. We will have our dictation quiz tomorrow.
2. Biography- – share the next biography with someone at home. Remember to return your book tomorrow.
3. Return your library book if you have not done so already.
4. Popcorn will be available tomorrow. \$1/bag.

Math Strategy of the Week

Counting On

When you add **1, 2, or 3**, start with the biggest number and just count on.

$5+1=6$

$8+2=10$

$9+3=12$
