SPECIAL MESSAGES:

1. **Provincial Reading Assessment** - begins this week. Having a good breakfast and being well rested will help your child to perform their best. **Please** let me know if your child will be away (so I can arrange for them to finish it).
2. **Popcorn** - Friday \$1.00 a bag
3. **Library Books** - due Friday
4. **Early Dismissal** - Tuesday, May 29th at 11:30
5. **Field Trip** - please see information on year end class trip to Kingswood.

TUESDAY - FRIDAY

Please see below your child's homework, which is to be completed by Friday. Thank you!

Spelling

See yellow spelling list in protective sleeve at back of homework binder. Please practice 5 of the words that are not checked off each night.

*If you don't have many left, practice "checked" words too.

Sight Words

Practice reading 5-10 words on your sight word list.

*Remember to reread "checked" words to ensure recognition and quick recall.

RAH RAH

Read out loud (to an adult) your "Good Fit" RAH RAH book each night or read a book from RAZ-Kids.

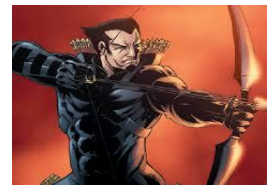

*Some books take longer to read, so read for about 10 minutes each night. Shorter books can be reread each night for fluency.

Math Facts

Sign and correct math fact test from last week.

"Merlyn-Subtracting 8". See "Parent Tip" on "Merlyn the Archer" from last week. The same strategies can be used when subtracting 8 (as 9). Cut out and 'flash' flashcards each night. Test on **Friday**.

*The number line on the bottom is to help your child 'bridge' to 10. If your child prefers a different strategy to subtract 8, feel free to fold the number line back.

May Math Challenge - Optional

Please see the enclosed sheet for an extra challenge. Due May 25th.

Please complete the homework by Friday and initial **once it is all finished**.

Thank you!
