

# What's Up in Grade 2

# June

We will be working on the following curriculum outcomes this month:

## Literacy

### Reading:

- Comprehension (understanding what we read) - We'll review all strategies.
- Accuracy (reading unknown words correctly) - We'll review all strategies.
- Fluency (rereading the text & phrasing and rate) - We'll review all strategies.
- Expand our Vocabulary (learning new words) - We'll review all strategies.

### Writing:

- We'll review and practice all that we have learned about writing recounts and how to stories, along with editing and revising.

## Math

### Mental Math:

- Review of all strategies

### Numbers (Adding/Subtracting Numbers to 100):

- Continue developing our 2-digit adding and subtracting strategies

### Data Analysis:

- Gather and record data about self and others
- Construct and interpret concrete graphs and pictographs to solve problems

### Measurement:

- Measuring and comparing length, distance around, and mass

## You & Your World

### You and Your World:

- Life Cycles
- Father's Day

## Birthdays

Emma, Katie, Greg & Mikala
