

RMS NEWSLETTER – January 2022

2021 has been a challenging year for all. We want to thank our RMS families, staff, and students for their patience, understanding, and support. Our community has shown resilience, positivity, and flexibility through everything that has been thrown at us. From us to you and yours, we wish you a merry and bright holiday season filled with all the things that you hold near and dear to your heart. We are hopeful that 2022 is filled with new beginnings and blessings. We look forward to seeing you in 2022 rested and rejuvenated. Cheers to a fresh start in 2022!

Kudos Corner!

- Thank you to the RMS Student Leadership Team for all the fun activities that you planned for our staff and students and for reminding us that kindness is free to give and encouraging us all to make it our priority to help others and spread joy.
- Thank you, Mr. Pomeroy, for rolling out the Student Perception survey. We look forward to reading the results and planning next steps based on student voice.
- Thank you to our RMS elves that have spread Christmas cheer throughout the school with decorations, treats, and holiday attire. It sure is hard to be a Grinch at RMS!
- Thanks to Rudolph, Buddy the Elf, and their helpers for their time, donations, and holiday cheer to make the Best Buddies Boutique a huge success! We couldn't have done it without the support of RMS students – thank you for making donations and special purchases. Watching kids get so excited to buy gifts for others was heartwarming.

Sports News

In Tigers Sports news, we didn't get all scheduled basketball games in, but our teams were able to each get one game in before the break. As we head into the New Year, we really don't know what that will look like just yet, and we thank you for your continued support and patience as we work through these new Public Health protocols. Please have a fun and safe Holiday Season from RMS Athletics!

Extracurricular/Clubs/Sports

Until further notice, only double vaccinated students can participate in extracurricular, clubs, and sports. Currently, all students under the age of 12 are not able to participate in any extracurricular, clubs, or sports. We are hopeful that this regulation will be short lived and will communicate with you should this regulation change.

Fundraising Update

Pizza Twice Fundraiser was a huge success as we raised \$1090 toward the purchase of GaGa ball pit and new flagpole system. Thanks to families who participated in this delicious fundraiser!

Gift Card Blitz

Our Gift Card Blitz was a huge success thanks to your participation and generosity. Thank you to the Best Buddy Club for donating the profits from the Best Buddy Boutique. Through all our efforts, Christmas will be a little merrier for RMS families.

Lost and Found

Our lost and found items have been donated. Please remind your child/ren to take responsibility for taking care of their personal belongings.

Cafeteria

Our cafeteria will reopen for business on January 10. We encourage families to preorder their meals to ensure they get what they want from the menu.

Winter Plan

Please review the new Winter Plan before returning to school on January 10, 2022. You can read the detailed plan by visiting: <https://www2.gnb.ca/content/dam/gnb/Departments/ed/pdf/K12/k-8-winter-plan.pdf>
