### Criteria and conditions of participation:

- An individual or team of people deemed worthy of the award for making a positive contribution to inclusive education in their province/territory. (ie. teacher(s), student(s), principal(s), other school staff, school committee, post-secondary institution, early childhood centre or an individual from your community who has made a contribution to inclusive education) Visit [www.nbacl.nb.ca](http://www.nbacl.nb.ca) for past winners.
- Nominees will be asked to participate in an interview (this may include a visit to the site to meet the nominee in their educational environment).
- The recipient(s) will be presented with the **National Recognition Certificate** at a ceremony (location and time to be announced).
- Special guests and media will be invited to attend.
- Media may ask the recipients to be available for photographs and interviews.
- Provide **two** letters of reference in addition to this nomination form.
- Fill-out the **Required information** page

**Inclusive education** - Inclusive education is about how we develop and design our learning environments -schools, classrooms, programs and activities- so that all students learn and participate together. It is based on the firm belief, and on real experience, that all students have value and can best learn in regular classrooms alongside students their own age. Inclusion also means that our schools help develop positive relationships and mutual respect between all students.
