Dear Parents/Guardians,

This letter is written to parents/guardians of children currently enrolled in Anglophone West School District (Kindergarten through Grade 7) who are zoned to attend the new school in Hanwell, recently named "Hanwell Park Academy" (Kindergarten through Grade 8), in September 2022. For many of you, I have written once already (November 2021). For those who live in the neighborhood of the Hanwell Mini Home Park, I include you now as this neighborhood has been recently added to the catchment area for Hanwell Park Academy.

The catchment area for Hanwell Park Academy has been finalized and our records indicate that your address falls into this catchment area. Please note that your child will be automatically registered for Hanwell Park Academy and all records will be transferred there for the beginning of the 2022-23 school year.

On the map above, the area highlighted in green is the catchment area identified for Hanwell Park Academy. The area includes addresses that are designated as part of the Rural Community of Hanwell, including the Hanwell Mini Home Park, as well as an area known as the Ludford Sub-Division.

It should be noted that those enrolled in Late French Immersion will continue to attend school at George Street Middle School.

As you may be aware, the Principal for Hanwell Park Academy has already begun his assignment and is preparing for the opening in September 2022. Pierre Plourde is a long-time principal in our system and his experience and energy will be reflected in an exciting and meaningful learning experience for your children. Mr. Plourde has set up communication systems with families of Hanwell Park Academy to keep everyone advised of interesting information. If you wish to learn more about ways to stay current with the news at Hanwell, please reach out to Mr. Plourde at pierre.plourde@nbed.nb.ca.

Also worthy of noting is that the new Vice-Principal has been hired, with her start date to be July 1, 2022. Tarah Gauvin is currently the Vice-Principal at Park Street Elementary School.

A parent information session is scheduled for both Tuesday, April 26th and Wednesday, April 27th at the Hanwell Community Center. The start time on each evening is 6:30 PM.

This is an exciting new adventure for your children and our school district and we are equally excited about the opening of this new, 21st century learning facility.

Sincerely,

David McTimoney
Superintendent of Schools
Anglophone West School District
