

December Family Project

In December we spend lots of time learning about various holiday celebrations and traditions.

We would like each student to have an opportunity to share a family holiday tradition. We will share these during the month of December. We will also be learning about Christmas past. We can then compare our holiday traditions to the holiday traditions from the past.

Like September the students may choose a method for presenting their project. They may use posters, videos, slide shows, write a story, etc. A family member may even want to join the student to share the tradition. The possibilities are endless. Projects can be sent in anytime.

During the month of December we would also like to invite family members into our class to read a favorite holiday story.

-
- I've received the November Family Project outline.
 - I (or another family member) would like to read a holiday story to the class.*
 - I (or another family member) would like to join my child to talk about our holiday tradition.*
