Donated by Ladies Snowshoe Event

2020 Bursary Application

Mama Bear Cancer Fund was founded by the late Lauren Holt. She created the fund to assist cancer patients in Northern Victoria County with travel expenses while undergoing cancer treatment.

Laureen started Mama Bear Cancer Fund by knitting and selling dish cloths while undergoing her own Cancer treatment. Lauren had big dreams for Mama Bear Cancer Fund, which came true due to the overwhelming support from our community.

Before Lauren tragically lost her battle with Cancer in September 2017, she expressed her desire to create a Bursary program for graduates in our community who were continuing their education in the health field or whose life was affected by Cancer.

To ensure her final wish was honored, the committee raised funds through the 1st Annual Lauren Holt Memorial Walk/Run in July 2018. The committee plans to do a yearly walk/run in Lauren's memory to fund the bursary program ongoing.

To qualify for the Mama Bear Cancer Fund Bursary program, you must meet the following criteria:

- Be a graduate of the 2019 class
- Pursuing a career in the Health Field and/or
- Life has been personally affected by Cancer

We ask that you write a short essay, for the Committee members to review, explaining why you chose a career in the health field or how Cancer has personally affected your life.

A member of the Mama Bear Cancer Fund committee will award the two successful graduates a one-time \$500.00 bursary during the graduation ceremony.
