--	---

Call to Order: Kim called the meeting to order.

Approval of the Agenda: Connie Approved the Agenda, Peter second

Approval of the Minutes from Previous Meeting: Ashley Approved the minutes, Peter second

Business Arising from the Minutes:

School Plan – Chris is taking the lead on the school plan, there have not been any major changes to the plan to date. Goal # 2 was re-worded and Robina will send the updated copy.

PSSC Member Declaration Forms – Reminder to send these to Robina. Tonia sent a copy.

Technology Data – See the attachment provided by Chris.

School Bus Loading – Robina contacted Carol Lunn, as a district they have decided to go with assigned seats.

Online learning – at this time the expectation is to provide this for the class required to self-isolate.

There is a desire by parents to see if this could be offered to classes that fall below a certain threshold in attendance or if a Covid case is discovered in the school to move multiple classes to being online (i.e. ask all middle school students to stay home and teachers move to an online format for 2 weeks.) This would help with the substitute teacher issue as substitute teachers don't want to go into a school with a positive Covid case.

Social Emotional learning is part of the online learning program...20% of the day assigned to this.

New Business:

PSSC Budget - \$603.20 Motion to spend this money on providing funding for additional counselling support. Peter approved to motion, Melissa second.

Correspondence: All correspondence has been shared.

Correspondence:

Closing Comments: Farewell from Robina. We wish her all the best in retirement.

Date of Next Meeting: January 26, 2021

Adjournment: Robina adjourned this meeting.
