Science East and Centreville Community School are proud to present an evening of hands-on learning for the entire community tomorrow evening from 6:00-7:30 p.m. at Centreville Community School. Come join in the fun while learning about New Brunswick's forests, wildlife and oceans. Learn about groundwater, alternative energy and much more. Mark your calendar and hope to see you there! To promote "environmental friendly action" the CCS Me to We student club will be accepting used plastic bags to be recycled and taken out of landfills. All those attending are encouraged to collect the plastic bags in their home and bring them along. This will start the CCS campaign to collect and recycle plastic bags until Earth Day.

There have been several cases of lice found in our school. Please be diligent to check your child's head daily. If you have any questions or concerns please call the school. Thank you for your support in this!

Thank you and Have a Great Evening!
