Activities taking place tomorrow are: 5:30-6:15 p.m. K/1 Basketball; 6:15-7:00 p.m. Gr. 2/3 Basketball; 7:00-8:30 p.m. Middle School Boys Basketball.

Research supports the practice of early, frequent, and positive communication between parents and their children as an important determinant in the development of healthy sexuality. Through an extensive literature review and consultation with many community partners, Horizon and Vitalité Public Health Departments, in collaboration with the Horizon Research Department, are conducting a research survey.

This research survey, available in both official languages, will explore the current sexual health education practices and need for resources, of parents, step parents, and guardians of children 18 years of age and younger, from across New Brunswick. The results of the survey will help to inform the development of resources to meet the needs of "today's parents", to support them in their role as the primary sexual health educators of their children.

If you are a parent, step-parent or guardian of a child 18 years or younger, Horizon and Vitalité Public Health want to hear from you!! Thank you for your assistance.

Please click the following link to access the survey. Thank you for your participation! <http://bit.ly/askmeanythingssurvey>

The following messages are reminders:

Just a reminder that when you are entering the school to please use the driveway closest to Gramas Restaurant and exit out the other driveway to allow for a free flow of traffic. Also when you are parking for a Basketball Game please ensure that several spaces are left at the front of the school for those people who may have physical limitations. Thank you for your co-operation in this matter!

Due to the school being not open until 7:50 a.m. and with colder temperatures, this is a reminder that the school doors do not open until 7:45 a.m. Please plan to drop off your child accordingly.

Thank you and Have a Great Evening!

Mrs. McIntosh
