The *New Brunswick Student Wellness Survey* is a provincial initiative of the Department of Social Development – Wellness Branch, in partnership with the Department of Education and Early Childhood Development and the New Brunswick Health Council (NBHC). The elementary portion of this initiative, the *New Brunswick Elementary Student Wellness Survey*, began in 2007-2008 and was repeated in 2010-2011 and in 2013-2014. The survey gathers information from **students** in grades 4 and 5 and **parents/guardians** of students in grades K to 5. It surveys attitudes and behaviours regarding healthy eating, mental fitness, bullying, physical activity and tobacco use.

By taking the time to complete this survey, students and parents can contribute to their school's improvement plans and student wellness activities. On January 23, 2017, our school will be participating in this survey, as we aim to improve the health and wellness of children in our community.

Participation by students at the time of survey administration will be voluntary and anonymous. Prior to the date of the survey, parents who do not want their child to participate can call the New Brunswick Health Council at 1-877-225-2521 and must provide the school name, student name, home room teacher's name and grade. If you would like more information on this survey, please call the New Brunswick Health Council at the aforementioned number.

Our Me to We group is having a Superhero or Hat/Pajama Day next Friday, January 27, 2017 to raise money for their global project of education in a third world country. If dressing up as a Superhero masks that cover the entire face are not allowed but faces may be painted. Cost is \$1.00.
