The following message is a reminder:

The Department of Education and Early Childhood, in partnership with Anglophone West School District, is organizing a consultation session at **7pm on February 10th, 2020 at Fredericton High School (Cafeteria).**

This consultation session will provide an opportunity for parents and community partners to share their feedback on the ideas presented in the Green Paper, titled "Succeeding at Home: A green paper on Education in New Brunswick". In addition, Minister Dominic Cardy will meet with groups of students and teachers throughout the day, to gather their respective feedback.

"Succeeding at Home: A green paper on Education in New Brunswick" was released this fall and contains ideas to make our education system, from birth to graduation, the best in the world. The goal is for education to be at the heart of everything New Brunswick does. The ideas outlined in this document are based on the foundations established in the 10-year education plans.

We look forward to seeing you on February 10th, 2020, at Fredericton High School in the cafeteria (**parking lot off Priestman Street, Cafeteria is located at the top of the ramp accessed through the FHS Gym Entrance**). The session will begin at 7 p.m.

Thank you and Have a Great Evening!
