

Good Evening,

This is Mrs. McIntosh and it is Friday, March 17, 2017.

Please remind your children that if they arrive after 8:10 a.m. in the morning they need to stop at the office and sign in. If the teacher has marked them as absent and the office doesn't know they have arrived, the child's attendance may not get changed for that day. Thank you for your support in this!

The Public Health Nurses will be holding a clinic at our school on Thursday, March 23, 2017 to administer the HPV Vaccine #2 to the grade 7 girls. If the student is going to miss the clinic then please call Public Health at 1-888-829-6444 to schedule an appointment.

The following messages are reminders:

There have been several cases of lice found in our school. Please be diligent to check your child's head daily! If you have any questions or concerns please call the school. Thank you for your support in this!

Thank you and Have a Great Weekend!
