This is a message in regards to the Plastic Bag Grab challenge. There has been a misunderstanding about the dates to send in plastic bags to be counted. It was communicated to parents and students in the fall that they could start saving their plastic grocery bags for the Plastic Bag Grab challenge, not realizing that the parameters for the challenge had been changed from the year before.

The challenge guidelines state that the collection dates are between May 29 and June 2. While unfortunate, we feel that it would be unfair of our school to count the bags brought in before the challenge even started and would give our school an unfair advantage over other schools in the challenge. If we included these bags in our total number of collected bags, this would send the wrong message to our students about following the rules of a competition.

However, we will be sending all bags collected, regardless of when they were sent in, to be recycled, as this is a main goal of the challenge in the first place. The number of bags each homeroom class has brought in is being tallied and kept track of, as there has been a contest issued between the homeroom classes and the staff members who don't have a homeroom. Thank you for your support and understanding in this matter.

Any students interested in attending the Standing Ovarions Drama Camp in Woodstock can pick up a brochure at the school office.

The following messages are reminders:

Parents of students who came to the Welcome to Kindergarten night in February are encouraged to fill out a short survey at www.thelearningpartnership.ca/WTK-survey. By filling out the survey you will be entered to win books for your child.

Thank you and Have a Great Evening!
