

Good Evening,

This is Mrs. McIntosh and it is Friday, October 2, 2020.

We are updating our information on technology needs as we prepare for online learning should school be closed during the 2020-21 school year. A questionnaire regarding technology needs went home yesterday or today with your child. Could you please return these completed questionnaires back to the school by Monday, October 5th.

"We've Got your Back River Valley" is in the preparation stages to begin another school year of providing backpacks/bags of food for students (who experience food insecurity) to take home from school on the weekends. They have been operational since the fall of 2014, slowly growing and extending their outreach to include all 6 schools in the Carleton North catchment area. All students should have received a form. Please return a form, for every backpack you wish to receive, by Monday, October 5th.

Thank you and Have a Great Weekend!

Mrs. McIntosh
