

Good Evening,
This is Mrs. McIntosh and it is Wednesday, September 9, 2020

This message is for those parents of K-2 students only. Rather than having your child wait in a line up at the end of the day to be picked up you can now pick up your child at 1:50 p.m. Please remember that you cannot come into the building. Either call us when you arrive or let us know at the door that you are here to pick up your child and the office will have them sent up and walk them to the door. Thank you for your understanding in this matter!

This message is a reminder to parents that the Kindergarten to Grade Five Student Fee for the 2020-2021 school year is \$30.00/student up to a maximum of \$80.00 per family. Student fees are used for student locks, agendas, cultural performances, field trips and special activities. Any left over funds may be used for other educational purposes. The Gr. 6-8 student fee is \$45.00/student up to a maximum of \$80.00/family which is used for student locks, agendas, cultural performances, field trips and special activities and also includes a tech fee covering consumables used in Tech class. Any left over funds may be used for other educational purposes. You can pay your child's student fees through School Cash Online. This is the District's preferred method of payment for student fees or any activity fees that may occur throughout the year. Attached to the email is information on School Cash Online and how you can register.

Due to restrictions on gatherings there will be no Meet the Teacher this year. We have a full compliment of members on our PSSC so we do not need to have an election this year.

If your child started Kindergarten this year and they have had their immunization updated since they registered, please remember to send or bring in an updated immunization for their records. Public Health will be checking these records. Thank you for your attention to this matter!

Thank you and Have a Great Evening!

Mrs. McIntosh
