The Canadian MedicAlert Foundation has created the "No Child Without" program.

This program provides students from the age of 4 until their 14th birthday with 24 hour protection of MedicAlert emergency information services, at no cost.

Some conditions that emergency responders need to know in an emergency are severe allergies to drugs, food or insects, needs Epipen or Twinject, Asthma, Attention Deficit Hyperactivity Disorder (ADHD), Autism, Epilepsy, Diabetes, Hemophilia, Visual or Hearing impairment, and Devices or implants.

Having MedicAlert identification can alert school staff, friends, coaches and others about your child's medical condition or special needs when it matters most.

For more information on this free program you can pick up a brochure in the school office.

Just a reminder to parents that have children that started Kindergarten this year. If you have updated your child's immunization since registration and have not already brought in the updated copy to include in your child's file, could you please bring that in as soon as possible as the Public Health Nurse will be coming in to check the files.

This is to inform parents that the Kindergarten to Grade Five student fees for the 2017/2018 school year is \$25.00/student up to a maximum of \$75.00 per family. Student fees are used for student locks, agendas, cultural performances, field trips and special activities. The Gr. 6-8 student fee is \$40.00/student which is used for student locks, agendas, cultural performances, field trips, and special activities and also includes a tech fee covering consumables used in Tech class.

Thank you and Have a Great Evening,
