April 2022

News from School Community Coordinator

April showers bring May flowers! And we're hoping to be planting lots of flowers in and around the school yard and community over the next couple of months. Thanks to the Whole Kids Garden grant we will be planting a garden again, and thanks to the Cambridge-Narrows Regional Library for seeds and support in our gardening efforts.

Culinary continues to work hard to provide lunch programs Monday, Tuesday and Wednesday to our students. Thanks so much to the Culinary class for all of their hard work. We couldn't have these programs without their support.

April 7th is School Spirit day at C-NCS!! Wear your school colors and come ready to howl! We will be having a Pep Rally in the afternoon to celebrate the amazing accomplishment of our High School Girls Basketball "A" Fairplay Provincial banner and to celebrate our High School Boys basketball graduates! There will be lots of fun games and activities, so come ready to have lots of fun!!

Volunteers Needed

Volunteers are needed to help with Exploratory Days for K-12 students. If you have a hobby or an interest you wish to share with our students and are available during the school day, please contact the school office at 488-3500 or send an email to

natasha.douthwright@nbed.nb.ca

We are also currently seeking volunteers for a number of programs. If you are interested in volunteering, please contact the school. Volunteers no longer need to show proof of vaccination.

Happy Spring

Utensils

Just a reminder that students need to bring their own utensils for snack/lunch time. We do not have any plastic ones available.

Pre-Kindergarten Students

If you have a child or know of a child who will be starting Kindergarten in September, please contact Sandra at the office to make arrangements to come in to complete necessary paperwork.

The online registration site is currently under construction and is not available.

Registering your child early is helpful so that we have the correct number of students to plan for and also so that your child can be involved in any off to school programs that may be available. We always like to have a day when the children come to the school to see what the classroom and school looks like. They also get to go for a short bus ride if a bus is available.

Off to School Program Pre-Kindergarten Students

Care 'N' Share Family Resource Center is holding a free school readiness program for children who will be starting Kindergarten in September 2022.

They meet here at the school every Tuesday from 10am-11:30am. If you are interested in signing up for this program please call (506) 339-6726. This program will be running until May.
