December Newsletter

News from Community School Coordinator

As the Holidays approach, there are many fun activities happening in and around the school. Farm to School program will be on as always, every Monday. For our last Farm to School of the year, we are asking for students to bring in food donations that will be going to the Oromocto Food bank. This will be happening all month and there will be bins set up in the lobby. Just a reminder that we also collect plastic bread tags for Chipman Elementary School. This is in support of Mrs. Weaver's, project to collect a million bread tags, a promise made to RJ Vail when he attended school in Coles Island. RJ was a former student of C-NCS and we would like to support this wonderful project, so send your bread tags in to Marcy.

Culinary Tech lunch program will be on for this month. If you'd like to order, please go to the cash online option and preorder the meal. It is a delicious pizza with a fruit cup and muffin for \$5. Please make sure to preorder, as we cannot guarantee there will be enough the day of the meals.

We hope everyone has a safe and happy holiday season!

Elementary/Middle Christmas Shopping Fundraiser

Our second annual Christmas Shopping Fundraiser will be on December 16, with a snow date of Dec 17.

We currently do not have enough presents for the students to purchase for their families. Donations will be accepted until December 13. Please drop off items ASAP. All funds raised from this fundraiser will go to providing whole school enrichment.

Holiday Concert

Our annual holiday concert will be held at the school in the gym on Wednesday, December 18th at 6:00pm. There will also be a dress rehearsal at 1:30 pm. Parents who cannot make it to the evening performance are welcome to attend the dress rehearsal. Snow date is Thursday, December 19th. Times will remain the same for snow date.

There will be a free will offering at the door. Dessert trays to be sold by Culinary Tech class, coffee and dessert to be sold. There will be 50/50 and a Turkey basket to be raffled off. All funds raised from this event will go to the refurbishment of the Culinary Tech room. We are planning on the addition of an additional cooking station for the students.
