March 2020 Newsletter

News from Community School Coordinator

First of all, we would like to thank all of the volunteers that have been coming in to help out with the Wednesday lunch program. Without your help, it wouldn't be possible! We also want to send a huge thanks to the Brewer Foundation, who is supporting the program with a grant to the school. This grant will allow us to continue the program and to build a much needed third work station in the Home Ec. room.

Thank you to all of our other volunteers in the school as well, from the PSSC, Home & School, F & F of C-NCS, sport coaches, Fire Dept. rink volunteers, Lions Clubs, etc! You all make a difference in the education of our students!

The Leadership class is currently working on a survey within the school and the community. We are encouraging all families to go to the following link or you can access the link on our school website. www.surveymonkey.com/r/J6M3FD6 We are collecting data and are hoping to launch programs later this spring that will address the needs of our students and our community members. WE NEED AS MANY PEOPLE AS POSSIBLE TO COMPLETE THIS SURVEY!!

Farm to School on Monday March 9th. Will be a bagged lunch. With a sub, fruit cup and a muffin. There will be Mill Cove lunch for all Tuesdays in March, and the free Wednesday lunch will be on all month. Culinary Tech. will also be starting their lunch program after March break. We encourage everyone to use the School Cash Online options for the lunch programs, if possible.

Community Food Smart bag orders are going in on March 5th. They will be here for pick up on March 11th. Make sure to get your bag and money to the school before the 5th.

STEM Fair

On March 12th, C-NCS will be holding its biannual STEM fair. Interactive displays will also be set-up by Science East and UNB's Outreach Program. Set-up of projects and judging will happen in the morning with the viewing of projects from 12:30 – 2:00 for community members and students. The event will wrap-up with the presentation of awards at 2:00, followed by the dismantling of projects. We hope you'll make note of the date and come see what students have been working on!

CARE Assembly

There will be an assembly on March 13th for all students. Andy Thibodeau has been a motivational speaker since 1992. Andy has delivered thousands of fun & inspirational presentations across North America. Over two million people have seen him speak in all 10 Canadian provinces and 40 American states. Andy has a unique talent for being able to connect with audiences of all ages. His presentations are ideal for corporate settings, high schools, middle schools, elementary schools, colleges, universities, and conference settings of all types.

Home & School Meeting

There will be a Home and School meeting on March 26th at 8:45 am. New members are always welcome.

2020 Yearbooks

Our 2020 yearbooks are now on sale! If you would like to order this year's book, please order using School Cash Online. There is a link on our school website. If you are unable to order online, please complete an order form and send payment to the school along with your child. Yearbooks are \$45.00.
