February 2019

News from Community School Coordinator

Community Food smart orders go in this week and will be here next Wednesday, Feb. 13th for pick up after 1 pm.

Farm to school program is excited to have found a local winter supplier of lettuce in Sussex. It's local and its fresh! We soon hope to have their tomatoes and cucumbers in our weekly salad bar. Although all of our students may not be used to having a variety of fruits and vegetables on their plate, we think it's important to at least give them the opportunity to try new things. If their friends are eating something they've never tried, this may be the perfect time for them to try something new!

Leo Club will be starting up again this week. If you have a student 12 years or older who is interested in building their resume and helping out around the school and community, the Leo Club is for them. We will be meeting this coming Thursday Feb. 8th in Ms. Harris' room.

SPC Cards

SPC cards are still available for a discounted price of \$10. Orders can be brought Pack teachers.

International Student

C-NCS would like to welcome our second international student from Brazil. Ramon da Paz Pereira joined our students for semester 2. Our first international student, Tilman Palan from Germany, arrived in September and will be studying with us until June. This is a wonderful opportunity for our students to learn about the world and meet new people. It is also a unique experience for the wonderful families who welcome them into their homes for a semester and for the year. Thank-you to the families who host them!

If this opportunity is of interest to you, please contact Kelly Harris at the school. We are looking to expand our international program next year and cannot do it without the support of great host families. We hope to hear from you soon!

True Colors of C-NCS Presentation

C-NCS has been asked to host a PLAN Canada teen dialogue on Gender Equality to allow our high school students to have a voice on the subject. We are lucky to have such community-minded students. Thank-you to Milo Boutin for facilitating the event and Tilman Palan for his assistance.

SHAD Program

Milo Boutin has been selected for the prestigious SHAD program where he will join top students from around the country at a Canadian university for one month this summer. He is also selected to attend the New York Times summer camp. Congratulations on your hard work, Milo!

Tylenol & Advil

In accordance with Policy 704 Section 6.1 and section 6.2. Our school will no longer be providing Tylenol or Advil to students. If you have and questions please contact the school.

Rink

The new rink is now open. Middle level and high school students are welcome to use the rink at noon break.

* Helmets are MANDATORY AT ALL TIMES.

- * Skates must be in a skate of duffle bag.
- * No hockey or ringette sticks during school hours.
- * Rink is open to first come first serve after school.
- * Dusk to Dawn lights will be installed when the nice weather arrives.
- * C-NCS is not liable for any skating after school hours.
- * Please respect if posted "Rink is closed due to ice conditions." It may have just been flooded, or work is in progress. People on the ice when it is closed can cause a set back of a few days to a few weeks in maintaining suitable ice conditions.

We hope our Husky families come and enjoy this wonderful winter activity.

Please note that the PSST service is for students to report if they are in harms way, are considering suicide or for students to notify us if they know of a student or the school is in danger. This service is to support the safety and wellbeing of our students who are dealing with mental health issues, or other safety concerns.

Elementary Hallway

Thank you Parents! We know change is hard but the K-5 staff want to give a Husky Howl to all the parents who have stopped coming down the elementary hallway! Parents are welcome to say goodbye to your Husky in the lobby and then send them to get ready for learning! Great Job Parents!
