January 2019

News from Community School Coordinator

~ Welcome back! Farm to school will be kicking off again on Jan. 14th. Watch for order forms going home with students later this week. The Culinary Tech class will once again be offering a weekly lunch for students starting in February. Order forms for this program will be going home later this month.

~ Community food smart program is offering a giant bag of produce for \$15. The yearly membership fee is \$10. Please contact the school if you'd like more info about this program.

~ Volunteers are always welcome at the school. We have many programs that could use some extra hands such as the ELF literacy program, art club and nature club. Contact Marcy if you have some extra time to help enrich the lives of our students.

School Messenger App

Our school is now using School Messenger to send out voice, text and SMS messages. Please download the School Messenger app that looks like the picture below (blue). This will give you access to customize how you receive notifications.

If you are not currently receiving messages, downloading the app this should give you access. When you receive a text from School Messenger it appears from 978338.

The school must have your email address saved to your child's account for the email address to work.

Elementary Shopping Fundraiser

We would like to say a big thank you to everyone who donated or helped organize our Elementary shopping fundraiser. It was a big success and the students had a great time shopping for presents for their parents. We had enough items left over that we even opened it up to the middle and high school students, so they could shop for their parents as well.

Bus Passes

Please remember when sending in bus passes that you need to have the date, your child's first and last name, the street address of where your child is going, and the name of who's house they are being dropped off at.

This saves time having to look up addresses and if Sandra is out the supply may not know who your child is if there is no last name listed or where your child is going. Thank you for cooperation.

SPC Cards

SPC cards are still available for a discounted price of \$10. Orders can be brought Pack teachers.

Rink

Our new rink is under construction. People are working very hard to get it open as soon as possible. We ask that no one go on the ice surface until we let you know that it is ready to be used. We know everyone is excited to be able to use it and we hope to have it up and running soon. Thank you to Family & Friends of Cambridge-Narrows Community Support and staff for getting this organized.

Prom and Graduation

Please note: Change in dates

Prom will be held on June 17th and Graduation will be held on June 19th.

December S.M.A.R.T. Kids Recognized

S.M.A.R.T. Kids certificates were presented to a number of students who demonstrated one or more of the positive student qualities and behaviors represented by the acronym. Two deserving students from Kindergarten as well as Austin Johnston and Bella Eves-MacDonald from grade 1, and Jackson Madill from grade 2 were the primary students recognized with certificates. Emma Fanjoy from grade 3, and a deserving student from the grade 4/5 classroom were also presented with certificates. December's medal recipients were Elijah Pickett from Primary, and Kayleigh Getson from Upper Elementary. Evan Lewis was presented with the Principal's Certificate, a new award given out by Ms. Bishop. Congratulations to all who received special recognition at December's assembly.

Messages from Guidance Counsellor

~ January's country of the month is China and C-NCS will be exploring this country through celebrating Chinese New Year February 5th. Fun Fact: Two of our teachers, Mrs. Harris and Mr. Tucker, have also taught in China!

~ On Monday January 14th the True Colors of C-NCS will be attending the town Council Meeting to educate, inform and gather support for our initiatives moving forward. We welcome any interested community members to attend and hear our presentation. We are looking forward to working with the community to continue spreading acceptance and support for diversity in Cambridge-Narrows. Our club will continue meeting every other Thursday starting January 10th at lunch in Mr. Tucker's room and we are always looking for new members!

~ 2019 Graduates don't forget to keep checking the school website

<https://secure1.nbed.nb.ca/sites/ASD-W/cncs/Guidance/default.aspx> for the latest list of scholarships. You can't get money if you don't apply!

~High school students, exams are readily approaching and to get you ready Ms. Creighton will be providing study tips and tricks Wednesday at lunch January 9th and 16th in Mr. Tucker's room. Be sure to check out the bulletin board outside guidance for other useful techniques to help you in meeting your goals and ending the semester off with success!
