Dear Husky Families,

With the start of an exciting new school year, comes our first elementary sport being offered: Cross-Country Running!. Students are invited to come out and enjoy running with their peers. Students will participate in running games and drills, as well as learn proper form and technique, breathing, and stretching. Students will work towards running 1 kilometer. We will have cross country practices after school on Thursdays, until 3:45pm. The season will continue as long as weather permits (mid-end October). Students should bring a water bottle, as well as comfortable running clothing, and running shoes. (No sandals or boots). If your child will be picked up by another family member, or friend, please indicate so below.

Thank you,

Mme. Duchesneau
