## October 2021

### News from School Community Coordinator

Lunch programs are up and running and we have a great class of Gr. 12 culinary students assisting us with all of the lunch programs again this year. Farm to school is offered on Mondays, with a main course, salad or fruit and healthy dessert. Culinary class is going to start offering a Tuesday bagged lunch, which will be a sub or deli sandwich, apple or orange and a cookie. See order forms or cash online to order.

We will also be starting the Wednesday free lunch. Thanks to many great sponsors and donations we are happy to say this will be offered for the school year. Thanks to Rosemary Pantry grant, Jemseg Lions Club, Akerley Quilt Guild, Cody's Baptist church and to many individuals who have donated to the Feed a Husky program!!

Community Food Smart orders will be going in on Wednesday Oct. 6, with orders being at the school for pick up on Oct. 13<sup>th</sup>. Thanks to the many volunteers who help make this program happen. For more info contact Sandra or Marcy at the school.

We will be looking for volunteers to help with the Elementary hot breakfast program. Volunteers will need to be fully vaccinated and have filled out a volunteer package. Contact the school if you'd like more info!

Also a big thanks to everyone who contributed to the Terry Fox run. We had an awesome day for our run and raised well over our goal of \$500.00. You can still make a donation at the following link - <https://secure.terryfox.ca/registrant/TeamFundraisingPage.aspx?TeamID=943513>

Watch for details coming out on our annual Ghost Walk!

## Grad Class Fundraiser

The Cambridge-Narrows Grad Class of 2022 is excited to start fundraising for this year's grad events. The first fundraiser of the year will be a bottle drive on Saturday, October 16th from 9am to 1pm. Graduates will be collecting bottles throughout the community and dropping them off at the school for pick-up. If you would like to contribute to this fundraising event, please feel free to drop off bottles to the school during the 9-1 timeframe or call the school directly to arrange pick-up. Grads will be masked when picking up bottles to help ensure safety. We thank you in advance for your support and look forward to a wonderful year!

## Picture Day

School Picture Day will be on October 13th.

## Monthly Newsletter

We send home a monthly newsletter to let you know what is planned for our students. We would really encourage you to sign up to receive it by email.

This will help to save trees and will also help for those students who forget to take it home or forget to give it to their parent/caregiver.

Please fill out the information below and return to the school office or email Sandra at [sandra.jenkins@nbed.nb.ca](mailto:sandra.jenkins@nbed.nb.ca) and ask to be added to the distribution list. Thank you very much.

## Water Bottles

Please ensure that your child is bringing his or her water bottle to school.

We have noticed a rise in students coming to the office to get a dixie cup because they have forgotten their water bottles.

Please remember that our water fountains are not available but we do have water bottle fill stations, so students need to bring their own water bottle so they can have plenty to drink during the day.

If you would like to sign up to receive an electronic copy of our monthly newsletter, please fill out the following and return with your child. If you signed up last year, please complete again as a new distribution list needs to be made every year. Thank you.

## Volunteering

If you are interested in being a volunteer. Please contact Sandra at 488-3500 or [sandra.jenkins@nbed.nb.ca](mailto:sandra.jenkins@nbed.nb.ca) and she will send home a package that needs to be completed.

Please note that volunteers will need to provide documentation of Covid-19 vaccinations.

We are always looking for volunteers who are willing to help our students especially with extra-curricular activities.

## Feed a Husky

We are still accepting donations to help us raise money to "Feed a Husky". Last year we were able to have a free meal on Wednesdays due to a grant we received from the Brewer Foundation.

This year we are once again going to provide this free meal but we need your help.

Donations can be made by following the "Feed a Husky" link that is on our school website.

Again, thank you so much to everyone who has already donated. Your generosity is greatly appreciated.
