Business Arising from last meeting:

1. **50/50** – Things were approved to go ahead at last meeting, then Province went to Orange level the same day and decision was made to hold off for time being. 50/50 will be on hold until things are back to Yellow and Covid restrictions are eased.
2. **Holiday Shopping Fundraiser** – Decision had been made to go ahead, and then when Covid restrictions changed back to Orange, decision was made to not have the fundraiser.

New Business:

1. **OutClass Webinar** – Sabrina, Ashley and Marcy have attended either 1st, 2nd or both sessions. Great ideas for unstructured outdoor play, importance of outdoor play. There is a company in Fredericton that is associated with OutClass. We can contact them for more info and quotes.
2. **Ashley** – request from PSSC. Request to partner with H & S to come up with a program to help encourage parents to pay student fees in a timely manner. H & S requested to purchase an incentive item (electronic item, ie, notebook, tablet) that parents can enter a draw for if student fees are paid by a certain date. Marcy made a motion for the H & S to contribute \$250.00 to purchase an incentive item for this program. 2nded by Tracy. All approved.

Liaison Report:(Principal or Vice Principal) - Leanda – school continuing to operate under different phases as instructed by Public Health. Currently in Orange phase. Some issues with Industrial Arts program as Kim Allen, current IA teacher has been out and not sure when coming back. Many projects are started and not completed, or planned and not completed. We will have to wait and see what we can do and what we will need to complete started projects. Volunteers, or grants. Carrie inquired about Sports Award Cabinet that was to be built. Leanda checking to see if supplies were purchased.

Committee Reports:

Carrie is working to form a Sports Committee with a variety of members from school and community. One concern is that the NBIAA is still charging fees for sports and for each student registered to play, but school is not able to collect fees from students as there has not been a season. Sabrina requested a report from Carrie as to outstanding fees that will need to be paid for next meeting.
