

# Kyle James Gary Beale

Mr. Kyle Beale, he's one of a kind,  
A funny comment he always can find.  
With his smirk and smile it's not hard to see,  
A joke is coming, or two, maybe three.

A kind, gentle soul, never spiteful or mean,  
To make someone laugh, he's always been keen.  
Whether jumping in puddles or doing a dare,  
His humour made sure his presence was there.

Through assignments, tests, and day-to-day school,  
He's made his way here, isn't that cool!  
Now is time to head to the future with care,  
And to know that C-NCS will always be there 😊.
