Student Council is continuing their IWK fundraiser for a couple more weeks. Whether it's playing in the dodgeball tournament, donating a few toonies to pie your favorite teacher in the face, or taking a guess at the candy-filled-jar, everything counts! Please take some time to check out the table set up in the lobby at noon & listen for other events coming soon. A bottle drive is also being held to support this wonderful cause.

Semester one art students who had art on display can pick their work up in the art room this week. Also, any grade 9 students who just finished their art rotation, should pick up their clay, sketchbooks, and other projects this week.
