

CNHS Bus Dismissal 2018-2019

Hi Folks,

Here is a map of our bus locations in the afternoons. I've included a general idea of where buses are headed. I hope this is a help to teachers and students as we kick off the school year. ☺ The bell to release flight #1 buses rings at 3:11 pm. Flight #2 buses will load as they arrive immediately after 3:11 pm.

Flight #1 - First Group of Buses to Load

Flight #2 – Second Group of Buses to Load

These buses drive around behind the school and wait at the side of the school for Flight #1 buses to depart at 3:12, then load *directly in front of the bus doors in the order in which they arrive – one at a time*. This order doesn't matter.

This includes the following buses:

51 - Rob Stephenson – Florenceville area

47 - Mary White – Bristol area

52 – Sandra DeMerchant – Burnham Rd / Oakland

43 – Nancy Guthrie – West Glassville, 107

54 – Patty Gaunce – Greenfield / Back Greenfield Rd

64 – Anthony Hanscombe (c)– Lakeville / Centreville

58 – Darlene Watson – Centreville / Wicklow transfer

62 – Gordie Phippen – Centreville / Royalton

** Also, please note that no morning buses are allowed to drop off students before the school opens at 8:00 a.m. and a teacher is on duty. Many thanks. **
