

JUNE 2019 SCHOLARSHIPS

The list of scholarships below with deadlines is strictly offered for reference and planning purposes and corresponds with the brochure you were given with your graduation information. These are scholarships that the Guidance department is aware of but this does not mean they are the only scholarships being offered. ***Remember to also check with the district-based scholarship website. There are many more scholarships offered on the district site; there is a link to the district site on the CNHS website.*** **Not all scholarships are offered each year.** Most universities offer scholarships specific to their school that would not be included in this list, some employers and organizations offer scholarships that are specific to them and not advertised through schools and each year new scholarships become available that may not be on this list, for that reason students are encouraged to check specific university scholarships on university websites as well as to check scholarship and bursary websites such as:

www.studentawards.com

studentaid.gnb.ca

<https://scholartree.ca>

scholarshipscanada.com

www.canlearn.ca

***All students that have received scholarships must send thank-you cards to the companies, families, or institutions that have offered the scholarships to you. Please ensure all applications are either in an envelope with your name and the name of the scholarship on it, OR all documents are stapled together before you pass them into the Guidance Office.**
