

## 2019 MAY SCHOLARSHIPS

Please check the scholarship website at <http://web1.nbed.nb.ca/sites/ASD-W/scholarships/Pages/default.aspx> (also located on the CNHS website under guidance tab) for upcoming scholarship deadlines in addition to the scholarships listed below. The list of scholarships below and on the website indicated above are the scholarships that the Guidance department is aware of but they are not the only scholarships being offered. Most universities offer scholarships specific to their school that would not be included in this list. Some employers and organizations offer scholarships that are specific to them and not advertised through schools and each year. Students are encouraged to check specific university scholarships on university and college websites in addition to the following scholarship and bursary websites:

Remember: scholarship availability and deadlines change yearly.

**The first section below lists the scholarships available from the district website that have application forms available at the CNHS guidance area. Please check there for applications.**
