

At CNHS there are four ways to find scholarships. Please review the list below.

- 1) There is a district-based scholarship website that is available for students and parents online at:

<http://web1.nbed.nb.ca/sites/ASD-W/scholarships/Pages/default.aspx>

This scholarship list attempts to capture a selection of community, regional, and national scholarships available to students. The website is a working document and it will be revised on an ongoing basis. Please check for updates frequently. This list will also be posted on the CNHS website under the guidance – scholarships tab.

- 2) CNHS guidance will continue to post local (in-house/CNHS specific) awards **as they become available from April – June 2021**. These will be posted on the 2020-2021 Grad Team on Office 365 and on the CNHS website under the quick links – guidance – scholarships link. Students will also be made aware of these scholarships through announcements, the guidance bulletin board, and also the teachers of grade twelve students will notify students when the local CNHS specific scholarships are posted.
- 3) Students are also strongly encouraged to search college and university (post-secondary) websites for scholarships associated with specific institutions. Many post-secondary schools have a one page application form that can be filled out to apply to many scholarships, in addition to separate application forms for larger scholarships. It is important to be aware of this when applying for scholarships at colleges and universities. Some employers and organizations offer scholarships that are specific to them and not advertised through schools each year.
- 4) The following websites provide additional scholarship and bursary information:

<https://scholartree.ca/>
www.canlearn.ca
www.studentawards.com
www.scholarshipscanada.com
www.studentaid.gnb.ca

Scholarship information, including tips on how to apply, will be posted on the CNHS website under the guidance tab in the scholarships section and also on the 2020-21 Grad Team for easy access. There will be a scholarship tips meeting in November for students that are interested in learning more about how to apply.

Students are encouraged to review the list of scholarships and apply. It is the responsibility of the student to search and apply for scholarships in a timely manner.
