

HARVEY HIGH NEWS

September 15, 2017

Because Harvey High houses students with life-threatening allergies, we are a **NUT (not just peanut)** and **SCENT-FREE** school. Please keep this in mind when purchasing health and beauty products and lunch supplies.

As is the tradition, student council's main fundraiser of the year, the **Magazine Campaign**, will roll-out on September 28th. Our school keeps about one third of the total sales less prize costs. We are hoping each student will sell at least one magazine. We appreciate the support shown to our students in our fundraising endeavours and acknowledge that there are many groups and associations attempting to simultaneously raise funds. If no student approaches you, and you would like to place an order, please contact the school.

On October 2nd, public health nurses will vaccinate our grade 7 students with the Tdap (tetanus, diphtheria, and pertussis) and HPV (human papillomavirus) (girls) vaccines. The grade nines will receive their shots for meningitis and varicella.

The International Day of the Girl is October 11th.

UNB Open House in Fredericton is Saturday October 14, 2017 and UNBSJ, Saturday, Oct 21st. RSVP at www.unb.ca/recruitment

The AARAO (Atlantic Association of Registrars and Admissions Officers) is Thursday, October 26th. Information booths will be set up in the gym and students will be taking part in various sessions to learn more about post-secondary opportunities. Parents are encouraged to attend.

NBCC will be holding Open House sessions Oct. 28th and Nov. 1st. Search www.nbcc.ca for more information.

Check out chatterhigh.com for post-secondary and career options, labour market information, and health/financial literacy information

Soccer and Cross Country seasons are under way. We have 21 students running cross country and 80 students playing soccer on our middle school and high school teams. Many thanks to our volunteer coaches who give up hours of their time to provide extra-curricular opportunities to our students. Special thanks to Harvey Insurance Ltd for sponsoring the purchase of new soccer uniforms for our senior girls and senior boys soccer teams. We are seeking sponsors for middle school basketball

warm-up tops and high school volleyball uniforms. If any businesses are interested in these sponsorship opportunities, please contact athletic director Don Fletcher. Continue to check under the "Extracurricular-Athletics" link on the HHS website for weekly updates on practices, games and tournaments. As usual, home games and events are also posted on the digital sign at the end of the HHS driveway.

It is important that all who want to take part in activities are able. **Christmas Mommies** will gladly sponsor those unable to afford to participate. Soccer and cross-country will begin for all age levels early in September.

Christmas Mommies, along with the Harvey Hospital Foundation, supports the We've Got Your Back Program. Last school year, there was on average 22 bags of food going home with individual students every Friday night. The program will be up and running within the next couple of weeks. If you know of a family or if you would like your family to be involved in the program, please contact Crysta Collicott at 366-2200, 366-3494 or crysta.collicott@nbed.nb.ca
