

# HARVEY HIGH NEWS

## March 15, 2018

Nothing makes one realize how quickly the year is slipping by like sitting down with the calendar to schedule the remaining events! This month's calendar is chock full. June's end will be here in a blink. Hopefully, the snow will be gone by then!

For your convenience, Harvey High School now has the ability to collect fees for all activities and products on-line. Instructions for setting up an account can be found on the website.

STEAM Expo Science Fair was held Thursday, March 1 at Harvey High. Participants and teacher leaders are congratulated for their hard work! Top prizes were as follows: Archer Smith and Ben Bradford - 1st prize for *Conductivity of Metals*; Owen Smith and Xavier Chevalier - 2nd prize for *Endothermic and Exothermic Reactions*; Madison Chisholm and Haley Messer - 3rd prize for *Does Scent Affect Taste*. The above students will be heading off to Districts in Woodstock on Tuesday, March 20. Good Luck!

Over the coming months, Leah Cain of Horizon Health will be running the Chef's Program for our middle school technology classes. This initiative is funded by our Wellness Grant. Ms. Cain will conduct a cooking class for each class. Hopefully, the program can be expanded in the next school year. A couple of weeks ago, the Wellness Grant also funded a school-wide nutrition break. Leadership students washed and prepared enough fruit for the entire school population. It was a huge success. Leadership's next project is waffle and fruit sauce day for all.

The second annual Safe Grad Breakfast is slated for April 22 from 9-1. The breakfast subsidizes the cost of Safe Grad. Safe Grad offers our grads a safe substance-free graduation celebration. It is the final event that the class experiences together. The cost of the breakfast is \$7 a person and \$20 a family.

Congratulations to the senior girls basketball team for advancing to the Final 12 at Harbour Station for the second consecutive season and representing our school and community on the big stage. As always, thanks to the community for all the fan support for our basketball teams throughout the season.

Volleyball season is upon us and we will be busy with games and tournaments for our senior, junior and middle school teams. As well, high school badminton tryouts will be held soon, with playoffs

occurring in mid-April. Continue to check under the "Extracurricular-Athletics" link on the HHS website for weekly updates on team schedules, practices, games and tournaments. As usual, home games and events are also posted on the digital sign at the end of the HHS driveway.

To ensure there is a copy of the 2018 Yearbook for you, it is advisable to pre-order. The cost is \$40 for a regular book and \$45 for a personalized copy. A \$10 deposit is required at the time the order is placed. Please contact Mr. Nathan Hoyt or Mrs. Ara Henry should you require further information.

## CALENDAR
