Dear Parents/Guardians:

It is hard to believe that Friday is the last day of classes before assessment week- the semester has flown by! Monday, June 14, 2021, is the first day of Harvey High School's assessment/examination schedule. Assessments/exams are scheduled four days next week beginning as close to 9:30 a.m. as possible. Students should arrive at school, at the latest, **by 9:20 a.m.** There will be **two assessments/exams** scheduled on **Monday only**. The afternoon assessment/exam will begin at 1:30 pm. Students, if leaving between assessments/exams, must return to the school by **1:20 p.m.** For Monday especially, it is crucial to know if your child plans to leave between exams. To organize students to ensure the required social distancing is respected, I must know the number of students I will have in the building. Assessments/exams are scheduled for two hours unless otherwise instructed by subject teachers, and students are required to stay in the assessment/examination room for one and a half hours unless they have permission to leave and have transportation waiting.

For those remaining due to transportation issues, study hall will be organized. Students will be in a morning study hall as soon as they sign out of an exam. Afternoon study hall following lunch break begins at 1:20 p.m. **I would expect all students who intend to travel home by bus to be in study hall at 1:20 p.m.**, and have made a schedule of supervision to that effect. When not writing or presenting an assessment, afternoons should be spent preparing for the next day's assessment/exam. In past years, students have signed out from school following an exam and have not returned to the school until just before buses depart. This leaves these students completely unsupervised from approximately 11:00 a.m. until 4:00 p.m. **This is not permitted.** Students requiring **transportation home** at the day's end **must attend school in the afternoon.**

If your child is leaving school premises **for lunch or for the day, a note must be provided** to the homeroom teacher first thing in the morning. Notes can be sent for the week, as well. **Because of the number of high school students involved, phone calls will not be accepted.** Students must make their plans **prior** to coming to school. If you have questions, please contact me directly.

Thank you for your cooperation in this matter.

Sincerely,
 Crysta Collicott
