

HARVEY HIGH NEWS

October 2021

The annual **POTATO FUNDRAISER** was a great success with 114 boxes of fifty pounds and 125 boxes of twenty pounds sold. This project would be very difficult were it not for the terrific unloading crew- Jerrad Swan and Tom and Cheryl Coburn- thank you. Through the guidance of Amy McFadgen, we will also receive a grant from Agri-Food Market Development Program. Thank you for the continued support of the fundraising endeavours. With the help of a great bunch of volunteers, potato pick up went very smoothly.

Our Annual Cheese Fundraiser is returning again this year. Bricks of cheese (400 g) include: Farmers, Medium Cheddar, Old Cheddar, Extra-Old White Cheddar, 5-year Coloured Cheddar, 8-year White Cheddar, Havarti, Marble, Monterey Jack, Hot Pepper, Onion & Parsley, Swiss Emmenthal Lactose Free, and Grated Parmesan. Cost is \$12.00 each. Gift baskets are also available. The Gift Baskets make great Christmas presents for that hard to buy for person. Every year our customers tell us that the cheese is great quality! Gift basket content details can be found through the Springbank Cheese link on our school website. Paying through online (for parents/guardians) is preferable. You can register by going to the School Cash link on the school website. Other ordering options include calling the school at 366-2200 or by sending in an order form (available on the school website or from a Harvey High student).

Order deadline is November 18. Orders will arrive the week of December 6.

Our TruEarth fundraising campaign continues. During the past two years we have been unable to hold our annual Harvey High School Education Foundation Relay. We are hoping to earn some of the lost revenue through selling TruEarth ecofriendly products. This is an online, NOTOUCH fundraiser. HHS Families are welcome to share with family and friends across Canada as TruEarth ships Canada wide (and shipping is free!). Thank you for your continued support. (<https://fundraising.tru.earth/harveyhigheducationfoundation>)

Our soccer and cross country teams are wrapping up their seasons with playoffs occurring the last two weeks in October. Special thanks to our fall sports coaches who dedicated many hours to the student-athletes in our school. Basketball season is beginning soon and tryout information will be posted on the HHS website. Continue to check under the “Extracurricular-Athletics” link on the HHS website for weekly updates on team schedules, practices and games.

Christmas Mommies Organization continues to offer We’ve Got Your Back Program. Weekly, backpacks of food are sent home with students. If you know of a family who would benefit or if you are interested in having your child(ren) be part of this program, please contact Crysta Collicott (366-2200, 366-3494 or email crysta.collicott@nbed.nb.ca) to make those arrangements. With Christmas fast approaching, if you know of someone who would benefit from receiving basic needs items for their children, please forward their names as well.

Last month, I failed to acknowledge that we also have Elicia Stairs, a Behaviour Intervention Mentor, on staff.
