

HARVEY HIGH NEWS

November 2021

Winter weather is just around the corner, but what a beautiful fall we have had. By adapting to the many changes that have been required over the span of the past two years, the one thing definitely proven is that our staff, students and parents are flexible and resilient. Hopefully, a return to learning at home will not be necessary, but it is reassuring to know, that if we must, we can successfully transition.

Basketball season has begun with our senior teams starting to play games. Our junior and middle school teams will be starting to play games soon. Continue to check under the “Extracurricular-Athletics” link on the HHS website for weekly updates on team schedules, practices, games and tournaments. It is important to note that at this time only two family spectators per player will be permitted. Spectators must provide proof of double vaccination and government identification, be masked, and adhere to social distancing requirements. Although this is certainly a shift from our pre-covid norms, we are pleased that a limited number of family members will have the opportunity to attend.

Our TruEarth fundraising campaign continues. During the past two years we have been unable to hold our annual Harvey High School Education Foundation Relay. We are hoping to earn some of the lost revenue through selling TruEarth ecofriendly products. This is an online, NO TOUCH fundraiser. HHS Families are welcome to share with family and friends across Canada as TruEarth ships Canada wide (and shipping is free!). Thank you for your continued support. (<https://fundraising.tru.earth/harveyhigheducationfoundation>)

Christmas Mommies Organization continues to offer We’ve Got Your Back Program. Weekly, twenty-two backpacks of food are sent home with students. If you know of a family who would benefit, or if you are interested in having your child(ren) be part of this program, please contact Crysta Collicott (366-2200, 366-3494 or email crysta.collicott@nbed.nb.ca) to make those arrangements. With Christmas fast approaching, if you know of someone who would like to be on our Christmas shopping list to receive basic needs items for their children, please forward their names, as well.
